

CMG GardenNotes #105

## Homework: Plant Health Care and the Diagnostic Process

Answer the following questions:

1. In your own words, define *Plant Health Care* and *IPM*.
2. What does the *PIC Cycle* explain about plant care and plant disorders?
3. In the class, we covered the life cycle of trees (woody plants). Outline a basic life cycle for tomatoes.
4. In your own words, outline the steps in the diagnostic process

5. What percent of landscape plant disorders are related to soil/rooting problems?
  
6. In the home landscape, what percent of insects and diseases warrant the use of an insecticide/fungicide?
